### **Victims**

*The AGPS received news about the death of the young man "Mohammed Al Nabhani" from Daraa Camp due to torture in the Syrian regime prisons, while the AGPS couldn't make sure of this news from another source.*

***Mohammed Al Nabhani***

*Meanwhile, the young man "Saeid Mohammed Salih" died while trying to reach Nordic, as his corpse was found frozen in a forest while he was trying to reach Greece, as his five-years daughter was with him during this trip and his father died while he was hugging her and trying to protect her of the severe cold in this forest.*

***Saeid Mohammed Salih***

### **Recent Updates**

*Bombing and sporadic clashes targeted different places of the Yarmouk camp in Damascus with a number of shells, while the clashes broke out between the regular army forces alongside with the Palestinian groups loyal to it and groups affiliated to the Syrian opposition.*

*Meanwhile, the continuous strict siege, imposed by the regular army and some Palestinian factions loyal to it for 547 days respectively, which coincided with the suspension of entering urgent aids by the UNRWA and some organizations for about a month, has led to increasing the possibilities of starvation to death, especially after the water cuts for 117 days. The water cuts resulted in the spread of many kidney and skin diseases, as the AGPS documented the names of 158 refugees who died due to starvation and lack of medical services.*

*In the same context, the remain residents of Daraa camp are living in a real suffering coincided with a campaign of continuous bombing and artillery shells, while they deprived of water for 264 days due to the siege imposed by the Syrian regular army, as they had to use wells water after buying it from reservoirs, which led to the spread of skin and digestive diseases because of water pollution.*

*Moreover, the power cut for long periods that increased to reach 20 hours per day, and sometimes for consecutive days, in addition to the complete suspension of wireless and landline phones for more than a year. The prices of fuel have increased rapidly after the blackmail of merchant and regular army checkpoints and their control of its prices, since the gas cylinder price has exceed 51\$, if it was found, and also the of the ton of heating firewood has reached almost 189\$ under the scarcity of fuel oil and gasoline.*

*All this comes in light of the absence of the public facilities and the relief and services teams work, which led to the severe spread of rodents "mice-rats" in most of the abandoned and damaged houses, in addition to the suspension of UNRWA works in the camp and especially the medical centers for the second year respectively after being bombed. It is mentioned that majority of the residents had to fled the camp due to the bombing and the tragic living condition.*

*Meanwhile, bombing targeted Al Tiba town adjacent to Khan Dannon camp in Damascus suburb, as the explosion sounds were heard clearly, while a state of tension prevailed the camp for fear of bombing and clashes. The camp is suffering of difficult living conditions, especially as it receives hundreds of displaced families who fled their camps due to bombing and clashes.*

*In Damascus suburb, the Syrian security forces arrested each of, "Mahmoud Ibrahim AL Hamid", two days ago by the members of Kawkab city checkpoint, as "Khalil Salih Shakoush" was also arrested a week ago from house at Jadeidat Artouz. It is noted that 6 residents from Khan AL Sheih camp were arrested by a checkpoint of the Syrian security.*

*In Aleppo, the residents of Al Nairab camp commemorated the anniversary of the prophet "Mohammed" "Al MAwliid AL NAbawy" at Shohadaa AL Aqsa mosque, while AL Nairab camp is controlled by the Syrian regular army, as many clashes broke out at its vicinity, lately, between the regular army and groups affiliated to the armed opposition.*

*Anniversary of the prophet "Mohammed" in Al Nairab camp*

### ***The Palestinian Camps in Syria, Numbers and Statistics till 3/1/2015***

- *At least 27933 Palestinian Syrian refugees have reached Europe during the last 4 years.*
