Recent Updates

After closing the main road in Khan Al Shaih camp for the Palestinian refugees in Damascus city, The Zakia road connects the camp with the surrounding areas, the regular army puts the road as an aim to snipe people, where it snipes a bus that was getting out of the camp and led to the killing of the Young girls Saleha Easa and some were injured in the bus.

The closing of Zakia road led to precursors to worsen the living and humanitarian crises such as the lack of food materials, quantities of bread were banned to get to the camp because of the cut of the Zakia road in Khan Al Shaih camp. Khan Al Shaih camp and its vicinity were exposed to bombing by shillings and explosive barrels, and that led to a panic state amongst the residents of the camp.

In Damascus, the Yarmouk camp for Palestinian refugees witnessed distribution of a limited quantity of aids to the people of the Yarmouk camp in the light of the continuation of the siege that is imposed for more than a year by the regular army and the PFGC. The camp suffers of a severe shortage in the food materials in addition to the stop of all hospitals except Palestine hospital which work with its minimum capacity. It is referred that the Action Group documented 154 victims due to the lack of food and medical care inside the Yarmouk camp.
