Victims

The young man Sulaiman Khaled Al Khateib, known as Abu Moean, from Husseneia camp in Damascus suburb, died while fighting alongside the Syrian Army against the armed opposition groups.

Activists confirm that the armed groups affiliated to the Syrian army recruit many youth for money, exploiting their tragic living conditions such as poverty, unemployment, and lack of financial resources. The army sends the youth to the battlefronts under the pretext of protecting the Palestinian camps.

The AGPS documents 113 victims from Husseneia camp since the beginning of the ongoing conflict in Syria.

Recent Update

Al Nairab camp for Palestinian refugees in Aleppo witnessed a noticed increasing in the immigration of its residents to Turkey trying to reach Europe, where there are many people in Turkey waiting ways to reach Europe legally and illegally.

The reasons behind the immigration phenomenon are the Syrian Security chasing and the Armed Groups such as Al Quds brigade to the Palestinian youth in Aleppo to force them to join the PLA, the strict procedures on the movement of youth, and the continuous detention.

The immigration way and getting out of Syria was not easy; last months witnessed security tightening on the crossing of the Palestinians towards Turkey, while the Syrian Security and the Armed Groups seized more than a car that was driving passengers from AlNairab camp, who were heading to Turkey, then they delivered the detainees to AL Matar Dept. for the Syrian Security after that they were delivered to the Military Syrian Security before they are released later.

In a related context, it was reported that the road that connects Al Nairab camp with Aleppo city was closed after the opposition forces preceded to Al Shekh Saeed and Al Rawamsa road, where the E-Pages of Al Quds brigade published that a violent attack was launched by the Opposition on the Cement Factory, Ein Al Asafer and Al Mujbal led to the closure of Al Rawamsa road.

Al-Quds Brigade confirmed that a number of its fighters launched from Neirab to Almjbl area to support the regular army, while people of Neirab and students of the university is waiting in Aleppo to open road which is witnessing acts of fighting between the Syrian army and armed opposition groups.

It is noteworthy that many residents of Neirab fighting alongside the Syrian army against opposition groups, while al-Quds Brigade, which takes Neirab as its center, considered to be one of the most prominent

militant groups that fighting alongside the regime under the pretext of protecting the camp.

In the countryside of the capital Damascus, the regular army and some Palestinian groups continued to prevent people of Sbeina camp to return to their homes for 706 days respectively, after being forced to leave because of the violent clashes that broke out between the regular army and the armed opposition groups, which ended with the full control of the regular army on the camp.

According to eyewitness, more than 80% of the camp's buildings were almost completely destroyed, specifically the area extended from Maaz bin Jabal mosque till the camp's bakery, known as Kurds bakery, which forms the western entrance of the camp.

The residents have fled to neighboring towns and camps, which bring them into this a new suffering not only for leaving their homes, but also to include all of their lives, which turned into a tragedy because of the economic conditions, the spread of unemployment, and poor financial resources.

Statistics

Within its documentary report of the Palestinian victims who died due to the war in Syria, the Action Group for Palestinians of Syria Published a statistic for the victims who died outside Syria estimated with 69 victims, according to the report.

According to the report, the distribution of victims was as follows: 69 Palestinian refugees died outside Syria till the end of September 2015, including 15 refugees died in Egypt, 12 refugees died in Lebanon, 10 refugees died in Libya, 8 refugees died in Greece, 8 refugees died in Turkey, 6 refugees died in Malta, 3 refugees died in Palestine, 3 refugees died in Italy, a refugee died in Sweden, a refugee died in Cyprus, a refugee died Macedonia, and a refugee died in Germany.

Greece

Al Wafaa European Campaign announced its relief plan, in cooperation with a number of relief agencies, to carry out a humanitarian tour, starting from the points of refugees' arrival at the various Greek islands. The tour is an attempt to alleviate their suffering, especially with the start of winter and the rugged road from Greece to the European countries of asylum.

The tour will include the reception of refugees and to provide them with their needs and services, as well as it will include field visits to the camps in those islands to check on the living conditions, then head north to the

border areas to provide services and assistance to those who also arrive there.

It should be noted that the campaign has provided relief aid to the Palestinian and the Syrian refugees in a number of European countries, and is working hard to alleviate the suffering of migrants in transit by road to the European countries, as well as the Palestinian Syrian refugees in Lebanon and Syrian camps.

Numbers and Statistics till 25/10/2015
