**Recent Updates**

*Palestinian refugee Mahmoud Mohamed Youssef Abu Ria, a resident of AlSayeda Zeinab Camp for Palestinian refugees in Rif Dimashq, died as he took part in the unabated hostilities rocking the Syrian territories.*

*According to AGPS data, 873 Palestinian refugees were fatally gunned down in war-ravaged Syria.*

*Meanwhile, AGPS documented the death of 196 Palestinian refugees, mostly in Yarmouk Camp, in Damascus, as a result of medical neglect and undernourishment inflicted by the tough blockade.*

*A tough cordon has been imposed on Yarmouk Camp since mid-2013 by the government forces and their war abettors. Water and power supplies to the camp have also been chronically cut off. Civilians have been further prevented from leaving the camp to fetch much-needed foodstuff and medicines.*

*In the meantime, violent clashes flared up on Sunday between ISIS and Tahrir AlSham battalion (formerly known as AlNusra Front) in AlThalatheen Street, in*

*Yarmouk. Light and medium weapons and artilleries were used in the clashes. No injuries were, however, reported on either side.*

*At the same time, ISIS ruled that civilians' access out of and into AlRija area be allowed only from 10:00 a.m. to 05:00 p.m. and that no more than one kilogram and half of food items and two bread loafs be entered by every single resident.*

*In another development, AlWafa Charity Cookery has started a campaign to provide Palestinian refugees from Syria in the Lebanese Bekaa Valley and in Yarmouk Camp, among other areas south of Damascus, with Iftar meals (evening meal when Muslims end their daily Ramadan fast at sunset).*

*AlWafa Cookery staff members distributed on Saturday Iftar meals to 30 Palestinian families displaced from Syria in Bekaa and 150 meals to*

*Palestinian families deported from Yarmouk to Yalda, Babila, and Beit Sahem, south of Damascus.*

*According to one of the campaigners, the move makes part of underway attempts to alleviate the crisis endured by the displaced and stranded Palestinian communities in war-ragged Syria and Lebanon.*

*Along the same line, the Assembly of Palestinian Workers from Syria reached a medical cooperation agreement with Dr. Luay Mohamed, a pediatrician and general practitioner in Ein AlHilweh Camp, south of Lebanon.*

*The agreement, signed by Dr. Mohamed and the assembly's chairman in Lebanon, Mohamed Sweid, provides a 50% discount of the overall treatment fees for social card holders who are members of the assembly.*

*Dr. Mohamed expressed his heartfelt pleasure and optimism over the move, pledging to try every possible effort to tone down the agonies endured by the displaced Palestinian community and to combine forces with the assembly to that very end.*
