Victims

Three Palestinians were killed in bombing targeting Yarmouk refugee camp in Damascus. They are Alaa Nassar, Firas Fantazeih and Khalid Amorrah. Saeed Hasan, one of the Popular Front - public —Commands, was killed because of the clashes that erupted in Yarmouk refugee camp, as Ahmed Al Masri was killed by a shot from a sniper.

Tunisia

A number of Palestinian _ Syrian detainees in Al Wardeya Tunisian Police Station appealed both presidents, Tunisian "Moncef Marzouki" and Palestinian "Mahmoud Abbas" to intervene immediately for their release. Where, they and their children have been arrested for more than two months, while one detainee complained about swapping their responsibility between the Tunisian authorities and the Palestinian embassy in Tunis.

He also demanded all institutions and human rights organizations to intervene to put an end to their suffering. Meanwhile, a number of children in detention had appealed, formerly, all international organizations, human rights and the Palestine Liberation Organization to release them. It is Worth mentioning that the number of detained Palestinian- Syrians is "13" refugees, including children, who were detained on charges of entering the country illegally.

Command, Where one of the general command members was killed due to these clashes. Another refugee was killed by a sniper's shot and mentions that no aid entered or distributed to people trapped for more than ten months.

A number of Palestinian activists in the Yarmouk refugee camp expressed fear of women arrest by Syrian Security Forces and groups of the Popular Front - General Command. The activists demanded to reveal the fate of all Palestinian women detainees in the prisons of the Syrian Security Forces and to release them immediately.

The effects of the bombing on the Yarmouk refugee camp

At Khan Al Sheih camp in Damascus city, violent explosions were heard inside the camp turned out to be caused by the bombing targeted farms surrounding it. In a related context violent clashes outbreak in Khan Dannoun camp coincided with the fall of shells on the surrounding areas, causing the spread of tension and stress among the people, as a violent explosion Rocked Alnairab camp in Aleppo. They found that the sound was an explosion of a building at Al Maidan Street in Aleppo.
